

Model Market Center™

Available Models

As of November 2020

Within Model Market Center, advisors can select from a broad menu of investment models from third-party investment managers. The platform seamlessly leverages iRebal® so advisors can access models and rebalance in one, central location.

Total # Managers = 54

The Strategist Fee, in basis points, is set by the Model Manager and can be seen directly on the model page in the Model Market Center.

Material made available through the Model Market Center is provided by third-party Model Managers and information providers who are separate from and unaffiliated with TD Ameritrade. TD Ameritrade has not paid for or been involved in the preparation of the content, and has not verified, endorsed or approved the content. TD Ameritrade assumes no responsibility for any fact, recommendation, opinion or advice contained in any such model portfolio or materials and expressly disclaims any responsibility for any investment decisions or for the suitability of any security or transaction based on it. Any mention of specific model providers and/or models should not be considered an endorsement or recommendation by TD Ameritrade. Users of Model Market Center are responsible for all up front and ongoing model provider and model due diligence.

Model Market Center is an offering of TD Ameritrade, Inc. Registered Investment Advisor (RIA) that leverages iRebal® on Veo® technology to provide independent RIAs access to model portfolios provided by third-party asset managers. iRebal products and services are property of ThinkTech, Inc., an affiliate of TD Ameritrade, Inc. Brokerage services provided by TD Ameritrade Institutional, Division of TD Ameritrade, Inc. member FINRA/SIPC. TD Ameritrade is a trademark jointly owned by TD Ameritrade IP Company, Inc. and The Toronto-Dominion Bank. © 2020 Charles Schwab & Co. Inc. All rights reserved. Member SIPC.
